It is an honor to be elected to serve as Worshipful Master of our Lodge. The support that I have received has been touching and humbling. I want to assure all Brothers that I will carry out my duties and responsibilities with the best interests of our Lodge and our Fraternity always first in my mind.

Attendance at the installation leaves me with more individuals to thank/recognize than I could possibly list in this space or, even, in this Trestleboard. Let me just say thank you to everyone; family, Brethren, and friends; for sharing this great and important undertaking with me.

To the officers I will give my assurance that we will conduct ourselves in a proper and professional manner and still have fun. I am always available for any reason, including counseling and study.

May we all govern our actions by the square of virtue,

James Freeborn, W:M.

SICKNESS & DISTRESS

Brother Miguel Mandoki, Entered Apprentice, has been called to the Celestial Lodge. This occurred on the eve of his Fellow Craft Degree. He will be missed by all who knew him.

PETITION FOR THREE DEGREES OF FREEMASONRY

PETITIONER(S): KEVIN OCONETSKY

It is requested that all members of the Lodge consider Petitioners carefully and notify W.: James Freeborn of any facts or reasons that you believe would justify denial of petition. All information received will be held in strictest confidence.

INSTALLATION A SUCCESS

J. Dewey Hawkins No. 331, Free and Accepted Mason, has set a standard yet again. Our installation was the first in the district and so fell under scrutiny that might otherwise be lacking.

We conducted ourselves with decorum and showed how the line between friendly and professional should be tread. The ceremony went by the book and we managed to show the non-Masons present that we can have a good time even as we uphold the values we all hold dear.

Special thanks to Bros Binder, McLean, and Goldenberg for their parts in the installation; they conducted themselves admirably. For my part, I hope I set a trend by having the incoming Master install the other officers of his Lodge. I believe, if a man is to assume a leadership role, that leadership begins immediately upon the giving of his oath and deferring that responsibility, even for a short time, implies the man isn't ready for that role. I am ready. We will have a glorious year together.
