Greetings my brothers,

I continue to hope everyone is doing well and having a great year. As you all know, our Masters and Wardens year is quickly coming to a close soon, however, we still have plenty of activities throughout the district to keep us busy.

With the holiday season fast approaching, our cable tow gets a little shorter, which is totally understandable. Time spent with family and friends is some of the best ways we can spend our time. Don't forget to support your lodges and district activities as well.

We have the Masonic Home Christmas party coming up on Saturday December 14th. It would be great to have a big show of support for the home-this is our big annual Christmas event, so please make every effort to support our district in this endeavor.

Also, I would like to remind you all that our RH District Instructor, Hector Mirable holds open books and school of instruction at Doric Lodge the first Wednesday and third Monday of every month. The books open up at 5:00pm with school of instruction from 7:00 to 8:00.

As always, I highly recommend whoever can, to attend as there is always something to learn that you didn't know. Remember, an educated Mason is a dedicated Mason.

I continue to wish our RW DDGM Michael Tishman a speedy and pain free recovery from his accident and look forward to his remaining official visits in our district.

Looking forward to seeing you all at the Masters and Wardens meeting this week.

With much fraternal love and affection,

Steve Rushefsky, PM President
Masters and Wardens - District 26

26th MASONIC DISTRICT DISTRICT DEPUTY GRAND MASTER

Cell: 954-415-1080 Email: mtishman@8thDomainTechnology.com

Brethren,

This month's announcement comes straight from the heart. A heart and body in pain due to a personal injury, but a strong and determined spirit.

As Masons we speak frequently about enlightenment, spirituality and personal improvements. However these discussions and practices are, for the most part, more 'speculative' than they are 'operative'.

Personal improvement and making good men better should be a practice of the physical self as well. How many of us suffer from the pain of performing simple daily tasks due to the lack of exercising, have not learned to subdue our passions for eating and drinking and are overweight or drink in excess, or are weak to the addictions of smoking or drug use. The Temple is One, whole, and requires the physical, mental and spiritual components all aligned and in balance in order to sustain a meaningful place in the game (of life). My message is not to preach, it is a message of caring and wishes for the well-being for each and everyone one of you.

Join me my brothers, and take a moment and reflect on what's most important to you, and include the rebuilding of your Temple should you find it in need of repair. And do not hesitate in the process. Make it a priority. And never, ever, be afraid to ask for help along the way. We are family.

Lastly, I would be remiss if I didn't send a message of gratitude and thanks to everyone who rendered (and continues to render) aide to the Bahamans relief efforts after the hurricane last month. The outpouring of donations and logistics support is to be commended. And my office in Ft. Lauderdale, North of the executive airport, continues to be a drop off location for our ongoing efforts.

Fraternally & Respectfully,

R.:W.: Michael Tishman

School of instruction (7:00PM-8:00PM) November 6th & 18th 2019 at Doric Lodge No. 140

Greetings Brothers,

This month I would like to discuss topics related to the third, or Master Mason Degree in Freemasonry. As we began our journey prior to becoming an Entered Apprentice we developed ourselves into “good men.” We felt a sense of longing for something that was missing in our lives and the urge to improve ourselves spiritually by attaining such knowledge that could help us transform into that most ethereal person that could be compared to the divine; but never achieving such a lofty status. Well, if you are reading this you are less than 1% of the world’s population that earned the privilege to obtain the knowledge. In the third and last degree in the Blue Lodge, we learned to become the master of ourselves. This doesn’t mean we actually did it but we received the instructions on how to pursue this noble task. We learn this mastery by understanding that our ‘will’ should be controlled in such a manner as to have a singular purpose and not turn it against ourselves. When the lower parts of man gain leverage over the higher; when what he truly is, is not exemplified, and what he does he would not do then we are divided. This inner rebellion is what makes it impossible for us to have self-mastery. Remember that our ‘will’ can provide us with that power to help us transcend towards being an enlightened spirit aligning ourselves with the G.A.O.T.U.’s purpose and become like him. Thus, the third degree is all about controlling our ‘will’ and uniting it towards being a singular spirit and a master of ourselves.

The Temple Legend is the symbol of human life being made perfect. Remember how the SD is taking you through the path of the ‘Widow’s Son,’ as was his custom at High Twelve to go to the unfinished Sanctum Sanctorum and pray. We should be asking ourselves, why is our Grand Master going to an unfinished Sanctum Sanctorum to pray? It could be taken literally that he being a holy man wanted to give thanks to his Deity and wanted to be efficient and not leave the Temple to save time. Let us look at this from a more enlightened perspective; the temple is never finished in our morality play because we never quite complete our temple not made with hands, eternal in the heavens. We are constantly trying to improve ourselves. Thus, we can stipulate that the unfinished Sanctum Sanctorum is anywhere we can meditate, pray, and reflect. Now, after prayer he would draw designs that would allow the builders of the temple to pursue their labors the next day. What is this trying to tell us? We can again take it in literal form and say that the Grand Master being the chief architect drew the designs the day before and left them ready for the craft to make it so! Can you imagine any architect piecemealing his designs daily? Well as you can see that is not only illogical but not worthy of further comment. Thus, the Widow’s Son is praying to our G.A.O.T.U. for insights into improving himself and developing a spiritual design to manifest his ‘will’ towards achieving that level of ethereal composition that makes himself better man and transform his spiritual building towards a more perfect building. Since we are representing H.A. in this scene we are learning that prayer, meditation, and/or reflection is the basis for the transformation process in designing that spiritual building.

We now move to the three gates leading to the demise of our Widow’s Son. In the first gate he is accosted by a ruffian wilding a 24-inch gauge. The ruffian attempted to extort the Secret Word from H.A. but his refusal led to an attempt to take his life by way of the measuring device. Now, it is possible to take the life of someone with a measuring instrument, but it is unlikely that the meaning is so simple since the strike was to the throat. Thus, there is a deeper meaning to this attempt. Let us analyze the strike to the throat. What does the throat contain; other than the arteries and veins, esophagus, and windpipe. Well, it contains the voice box that allows us to be above the mere animals. Thus, it is permissible to state that the first ruffian is making efforts to take away our voice. The ability to communicate in sound to others. No more could we harmonize the words to achieve further conveyance of enlightenment.

Open Books (5:00 PM-8:00 PM) November 6th & 18th 2019 at Doric Lodge No. 140
School of instruction (7:00PM-8:00PM) November 6th & 18th 2019 at Doric Lodge No. 140

The next gate is met by the second ruffian who makes the same levels of extortion and after being refused takes steps to take the ‘Widow’s Son’s’ life by using a square and cutting the Master’s breast. The square could have been made of iron and sharpened to penetrate the skin but unlikely. Thus, what is the meaning of this second attempt at the Master’s life? The breast can be said to be symbolic of containing the repository of our faith, our hope, and emotions. The second ruffian was attempting to squash our faith and hopes for our humanity and improvements. What a horrid possibility to be without faith and hope.

We now arrive at the third gate where the last ruffian causes the actual demise of our Widow’s Son by using a setting maul and hitting his head with it. The maul can most likely cause such traumatic injury as to kill any person. But is this really the purpose of the teachings of our last gate? Yes, the Master did not give up the word because he had the highest of integrity. That is the obvious and important teaching we can derive from this third gate experience. Is this the only philosophical teachings derived from this gate? Well, let’s dissect the importance of the interaction between the last ruffian and the Master Architect. After being demanded for the Master’s Word the ruffian is told that he needs to wait until the Temple’s completion and if found worthy he could receive it. But until the Temple’s completion he cannot have the Word. This is interesting because this is a similar message that was provided to the second ruffian. The meaning of this message can be taken literally about the building of the Temple of Solomon but remember that all of Freemasonry is about symbols and allegories to hide the true message, yes? What then is the meaning of the message? We can go back to the First Degree and remember that we are endeavoring to build a spiritual building. Thus, our search for the Word is not available to any Mason until the Temple is complete. If this was the case then there would be no Master Masons working on the Temple, only Fellows and Apprentices. But what does our lectures say? Thus, we may take on the more philosophical approach and identify the message with controlling our ‘will’ and transforming it from a divided to an undivided focus leading to our spiritual transformation. The final lesson of the gates is how the Widow’s Son was murdered by the third assailant. The head is the container of our brain and the mind function. It is the active principle of the repository of our knowledge. Thus, by destroying the brain we are destroying our ability to think. Thus, marks the death of the person’s ability to continue the journey of enlightenment and spiritual growth. This is true death when not of the body.

We must then learn to guard against ourselves and external forces that keep taking our time (24-inch gauge) and constraint our speech, attempt at taking away our hope and faith in our mission of self-improvement and helping others achieve the same, and of all that is attempting to prevent our attainment of light by impacting our minds with confusion. Stay focused my Brothers and let the light illuminate your path to controlling the ‘will.’

I am hopeful that this brief discussion was useful in harnessing your knowledge of the third degree and focusing it towards a perspective that will permit your continued personal and spiritual growth in Freemasonry. This coming School of Instructions we will be preparing ourselves for the upcoming installation of officers by training on taking the Craft from labor to refreshment and back to labor as well as balloting. I encourage all that are in the line to come to the instructions to refresh ourselves on these most important rituals.

Fraternally,

Brother Hector Mirabile

YOUTH CORNER

Hollywood 12

As the holidays begin, let the celebrations continue. Hollywood 12 celebrated their Installation of Officers on Sept 28th. We congratulate Abigail and all of her Officers on their achievements. Abigail's theme is The Rainbow Mystery Tour. Her service project is collecting materials for Chemo Kits for kids. She is in need of hand sanitizers, tissues, drawing and coloring items, activity books, socks and hats in kid sizes, inspirational signs/messages, playing games and small games or puzzles. If you have any of these items to donate, you can drop them off at Eureka North Shore Lodge where the girls will gather them at each of their meetings.

Do you have any old shoes you would like to get cleared out of the closet? The Rainbow Girls across the world are collecting old shoes in working condition. These will be donated towards Supreme Assembly to assist the Supreme Campaign. If you have some old shoes to donate, you can drop them off at Eureka North Shore Lodge for collection by Hollywood 12 at each of their meetings. The heavier the shoe, the better! The assembly which collects the most weight in shoes in Florida will redeem a prize at Grand Assembly. We will be bringing our next load of shoes to Grand in March.

We would like to say congratulations to Abigail on placing in the t-shirt contest for the Cosmically United 2019-2020 term. Abigail also received an appointment as the liaison to the GWA for our assembly. In addition, Abigail was the Chaplain at our recent Mary Poppins themed Official Visit where she was "Practically Perfect." Way to go Abigail! Ixzel attended her very first Official Visit and jumped in along side Ariana to do a great job assisting with the introductory gifts. When you see our new girls at Installations please welcome them to the family. Speaking of Installations, if your Lodge would like for the Rainbow Girls to serve your dinners, please contact Mom Eli so she can plan accordingly. We love to help you out, and, in turn, you would be helping us achieve our goals as well as give the girls an opportunity grow in both service and love for our organizations. We will be selling tickets for \$5 to go towards the drawing of a large Yeti cooler. These funds go towards our long standing goal to raise money for Camp Boggy Creek. Thank you for your support!

We would love to have your daughter's, grand daughters, and their friends join our growing group of respectful young ladies. If you know of a young girl age 8-10 who may enjoy being a part of a pledge group, or a girl age 11-20 who may enjoy being a part of the Rainbow Girls, please contact one of our advisors. Our girls rate outstanding in the characteristics of Love, Service, and Leadership! You can reach one of our advisors to get the application process started. You can contact Mom Eli, our Mother Advisor at 786-484-5827 /Elizabeth.valle2@gmail.com, Terry Schenker, Grand Deputy - njlight49@bellsouth.net / (954)804-1746, and Mom Ellen/Advisory Board Chair (954) 830-1349. Please mail Hollywood Mail to Terry Schenker: Order of Rainbow Hollywood, 4473 SW 50th St. Fort Lauderdale, FL 33314.

Make sure you check out and like the Florida Rainbow new Facebook Page! Facebook@FLIORG. Look for the video. It was created by a Hollywood girl and many of our current Hollywood girls are featured. You can also join the Cosmically United Facebook group to stay up on the Florida Girls' fun throughout this term. We look forward to hearing from you soon! As always, thank you for all you do to support our girls! We are so thankful for you this season and always!

A message from our Hosting Worshipful Master!!!
